PRESS RELEASE
NO: 2017- 068

DIVISION OF ENVIRONMENTAL HEALTH
SERVICE COUNTER AT THE PERMIT CENTER

The Department of Public Health and Social Services would like to inform the public that on August 14-18, 2017 there will be no representative from the Division of Environmental Health (DEH) at the Permit Center in Upper Tumon to provide assistance to applicants or individuals seeking business clearances and information about Sanitary Permit.

DEH apologizes for any inconvenience and delay this may cause to those affected. The temporary closure is made necessary as all division inspectors will be attending an important, mandatory week-long training. For information and inquiries, please contact the Division of Environmental Health at 735-7221 or Mr. Evan Lum at evan.lum@dphss.guam.gov.
