**Request for Proposal Specifications
 RFP/DPHSS-2018-02
 Guam Breast and Cervical Cancer Early Detection Program (GBCCEDP)**

Amendment #1

1. Amend to revise the following specification on Page 3. letter A. **General Information, 1. Background** to now read:

“The Guam Department of Public Health and Social Services (DPHSS), Division of Public Health, Bureau of Community Health Services (BCHS), Guam Breast and Cervical Cancer Screening Early Detection Program (GBCCEDP) is requesting proposals from all qualified government and non-government medical facility(ies) or individual(s) for breast and cervical cancer screening, diagnostic, and laboratory services.”

2. Amend to revise the following specification on Page 6. number 10. **Required Forms** to now read:

“All Offerors shall submit the following notarized affidavits, along with the proposals. Any proposal submitted without the five (5) required affidavits will be automatically considered non-responsive and rejected without evaluation as required by law.”

3. Amend to revise the following specification on Page 16. number 5. **Selection Process. letter h** to now read:

“Multiple contract awards on this RFP may be made at the sole discretion of the Department of Public Health and Social Services based on the Department’s need to acquire a full range of services to be made available and in order to provide alternative service sites for full accessibility.”

4. Appendix I. Replaced 2018 NBCCEDP Allowable Procedures and Relevant CPT Codes with updated version dated December 18, 2017.

All others remain the same.
