STATUS

APPLICATION NUMBER \_\_\_\_\_

New     Renewal     Copy

<b>Medical Cannabis Business</b>	Type of Medical Cannabis License
Legal Name	Medical Cannabis License Number
Physical Address	Date of Issue
Guam Mailing Address	Date of Expiration
Telephone Number	Date to Reapply
Responsible Official's Name	Guam Business Privilege Tax Number

Standards

- 1) The facility must comply with all local building, health, fire and zoning requirements and other applicable requirements and shall not be in violation of Guam's building and zoning laws
- 2) All licensed medical cannabis businesses that prepare, package, store, sell, distribute, or dispense cannabis-infused edible food products shall comply with Title 10 GCA, Chapters 21, 22, 23, 24 and 40, and applicable rules and regulations, to ensure proper food safety.
- 3) Commercial cultivation may only occur on the property for which the commercial cultivation license was obtained.
- 4) Commercial cultivation shall not be in public view. All commercial cultivation structures shall be fully surrounded by a fence or wall at least 10 feet in high with a locking gate or door.
- 5) The cultivation area and storage areas of medical cannabis, prepared medical cannabis, and medical cannabis product must be adequately secured to prevent unauthorized entry.

- 6) If supplemental gasses are used for cultivation purposes, the facility will be equipped with working carbon monoxide detectors.
- 7) Licensed medical cannabis businesses shall develop a plan for and cooperate with local health, water, building and fire authorities to ensure adequate ventilation and air filtration, plumbing and drainage requirements, electrical safety and proper disposal of wastewater according to Guam Environmental Protection Agency and Department of Agriculture requirements when applicable.

**Clearances from the following agencies are required, if applicable, before application can be approved:**

Agency	Print Name of Official	Signature of Official	Date
Department of Public Works (building code, solid waste, and signage)			
Guam Environmental Protection Agency (runoff, sanitation, waste disposal, air quality)			
Guam Fire Department (fire safety code)			
DPHSS Division of Environmental Health (food code)			
Guam Waterworks Authority (water and wastewater)			
Department of Revenue and Taxation (business privilege tax and other taxes)			
Department of Agriculture (endangered species)			

I attest that the information provided is true and correct and I understand that the issuance of the Permit to Operate is contingent upon compliance with Public Law 33-220 and Public Law 34-80, and after the permit is issued, it may be suspended or revoked for failure to comply with provisions of the law and applicable rules and regulations. **Non-refundable** payment may be made by cash or check, payable to "**Treasurer of Guam**".
