The Guam Department of Public Health and Social Services (DPHSS) tested 20 individuals for COVID-19 on Monday, March 30, 2020 with conclusive results. Two (2) tested positive through DPHSS and 18 tested negative for SARS-CoV-2. The DPHSS overall count also includes two (2) positive cases that were tested by the Naval Health Research Center (NHRC) in San Diego.

To date, a total of 58 cases tested positive with 7 patients who have recovered and 1 death.

Tested by DPHSS Guam Public Health Lab (GPHL)	Tested by the Naval Health Research Center (NHRC)	Total
56	2	58

All 50 remaining cases tested by GPHL and NHRC are in isolation.

Quarantine for all Incoming Travelers
Effective midnight tonight, **ALL** incoming passengers, regardless of place of origin or transit, are subject to a 14-day quarantine at a government-designated facility upon entry to Guam. The quarantine will be applied unless the traveler possesses a healthcare recognized and certified document that attests he or she is not infected with COVID-19 within the last 72 hours. As this is an evolving process, these guidelines are subject to revision.

For inquiries on COVID-19, local numbers can dial 311 or contact the Joint Information Center at (671) 478-0208/09/10.
