

## **Joint News Release**

**March 12, 2020**

**3:35 p.m. (ChST)**

### **Two Surveillance Cases Negative for COVID-19; Two Others to be Tested**

Early Wednesday evening, the Guam Department of Public Health announced that out of an abundance of caution, two individuals were being tested for COVID-19. On Thursday, results issued by the DPHSS Guam Public Health Lab (GPHL) in Tamuning indicated that both returned negative for COVID-19. DPHSS was notified of two additional cases which presented today, March 12, 2020. These tests will also be administered by the DPHSS local lab.
