

Las Vegas Karaoke & Bar (Tumon)

Operation Plan

Listed below are some of the guide lines that our establishments will be following as we reopen for operation.

1. Upon entering our establishment customers and employees are required to have face mask.
2. Take temperature and have customers wash hands.
3. Maintain a 50% occupancy rate for the establishments including employees.
4. Prohibit sick customers and employees from entering establishment.
5. Post sign at entrance that no one with Covid-19 symptoms are permitted inside the establishments.
6. Suspend shared snacks that stay on table between parties.
7. Bar serving to remain 6ft apart.
8. Sanitizing of bar, tables, toilets room, door knobs or anywhere hands touch.
9. Customers are to remove face mask only to consume beverage, talking is discouraged without a face mask.
