The Director of the Department of Public Health and Social Services, Mr. James W. Gillan, releases the statistics for the Fourth Quarter of Fiscal Year 2015 (July 2015 to September 2015) relative to the number of clients who were disqualified from participating in the Supplemental Nutrition Assistance Program (SNAP formerly known as Food Stamp Program), Temporary Assistance for Needy Families Program (TANF – Cash Assistance) and the Job Opportunities and Basic Skills Program (JOBS).

The following figures represent the number of clients who intentionally violated rules under the SNAP and TANF Programs:

SECTION	PROGRAM	NUMBER OF INDIVIDUALS DISQUALIFIED	AMOUNT OF RESTITUTION

	GRAND TOTAL	43	\$71,797.00

Of the Forty-three (43) disqualifications, one (1) was as a result of failing to report the loss of household members. Twenty (20) were disqualified for failing to report employment timely. Twenty-two (22) clients were disqualified for crediting food/nonfood items or exchanging cash with their SNAP EBT card, which is considered trafficking. Forty-one (41) were disqualified for 12 months as a first time violation of the SNAP program and two (2) were disqualified for 24 months as a second violation.

This change must be reported by the 10th of the month following the month the change occurred. To comply with TANF Program requirements, any change in employment, household members moving in or out, or change of address requires that the household report to the department within 10 days from the date the change becomes known to the household.
