**Guam Comprehensive Cancer Control Coalition's
 Survivorship and Quality of Life Action Team
 Presents the Revised "Guam Cancer Passport Guide" Booklet**

The Guam Comprehensive Cancer Control Coalition's Survivorship and Quality of Life Action Team is pleased to announce the release of the revised Guam Cancer Passport Guide booklet. The passport guide serves as a resource for newly diagnosed patients with cancer and their families, providing a directory of resources in our community and practical information to help prepare patients for treatment.

The passport guide has been disseminated to community partners such as primary care clinics, cancer treatment centers and non-profit organizations that provide support services for Guamanians diagnosed with cancer.

The Guam Comprehensive Cancer Control Coalition extends a sincere *Un Dangkulu Na Si Yu'os Ma'ase* to members who spearheaded the revision of the booklet: Marisha Artero, Renata Bordallo, Tim de La Cruz, Kavita Hemlani Re', Jared Ivie, Cerina Mariano, Angelina Mummert, Diana Santos, Tishawna Smith, Sonia Suobiron, Theresa Villatora, Catherine Rivera Castro, Lawrence Alam, Jenny De Leon and Vivian Pareja.

For more information or to request a copy of the passport guide, please contact Ms. Vivian Pareja at 735-0670 or at vivian.pareja@dphss.guam.gov.
