### SPECIAL RECRUITMENT FOR FAMILY FOSTER HOME

The Department of Public Health and Social Services is seeking the community's assistance in providing a home for a 16 year old Chamorro/Caucasian girl.

This adolescent enjoys singing and dancing. She also enjoys fashion and loves to dress-up. Her hobbies include writing in her journal and collecting shoes. She needs a highly active and engaged family, who can provide a wide range of interests in sports, music and religion.

She is looking for a spiritual home so she can continue to attend bible studies, youth group and church. She would like to be placed with a family that has spiritual values with weekly church attendance and baptism.

She is a minor with special needs. Currently, she is receiving services that address those specific needs. She has made significant progress and is ready to transition into a family home that will give her attention and help her succeed in life. She will do well in a structured home environment in a household with no children or a small family with female children her age or older.

You must be a U.S. citizen or resident alien who resides on Guam and are 18 years or older. If interested, please contact social workers, **Cindy Chugrad** or **Tecla Carbullido** at the Bureau of Social Services Administration, Division of Public Welfare, Department of Public of Health and Social Services at 475-2653/2672 for further details.
