NEWS RELEASE # 2010-094

DEPARTMENT OF PUBLIC HEALTH AND SOCIAL SERVICES AND
SHRINERS HOSPITAL FOR CHILDREN IN HAWAII

The Department of Public Health and Social Services (DPHSS) announces that the Medical Team from the Shriners Hospital for Children in Hawaii will be providing **free consultative services** for children up to age 18 with **orthopaedic conditions, burns, and spinal cord injuries**. Children with deformities such as disease and injuries involving the bones, joints and muscles, as well as "healed burns," including loss of any part of the child's body should be referred for evaluation to the orthopaedic physicians of Shriners Hospitals for Children in Hawaii through our department.

Patients will be seen by appointment only. New patients are encouraged to obtain a referral and medical summary from their private physician, and must provide an updated shot record, a copy of their birth certificate, legal guardianship documents (if applicable), and a copy of their insurance card in order to be seen at the Shriners Outreach Clinic. Returning patients are also reminded to provide x-ray films and/or laboratory results as previously instructed. X-ray and/or laboratory orders can be picked up at the Medical Records Office in Mangilao. Medical Records conducts business from 8:00 a.m. – 12:00 a.m. then resumes business at 1:00 p.m. – 5:00 p.m., Monday through Friday.

The Shriners Outreach Clinic will be held at the DPHSS facility in Mangilao, from January 5 – 7, 2011, and January 11 – 13, 2011. For an appointment and/or additional information, please contact Arlean Kloppenburg at 735-7117 or via email at arlean.kloppenburg@dphss.guam.gov.

The Shriners Medical Team will also hold clinic at the **Guam Orthopaedic Associates Office** in Tamuning, on **January 10, 2011**. Contact their office at 646-6610 for an appointment.
