partner in aiding to build Guam's capacity to adequately respond to individuals 50 years of age and older who are victims of abuse, neglect, and exploitation. If the grant is awarded, the CSS Alee Social Worker will attend Trainer of Trainees training program to enhance skills in regards to services provided to elders and in turn provide trainings to other providers in the community.

- ❖ On February 25, 2016 a grant application was successfully uploaded for the Office of Violence Against Women Fiscal Year 2016 "Transitional Housing Assistance Grants for Victims of Sexual Assault, Domestic Violence, Dating Violence, and Stalking. If awarded the grant, CSS Alee Shelter will provide transitional apartment units and case management services for up to thirty six (36) months for four (4) women and their children that exit from our Women's shelter.
- ❖ On November 4, 2015 a grant application was submitted to the Naval Officers Spouses Connection for the purchase and installation of a security system for Alee Women's Shelter. We were awarded the money on February 29, 2016 and are in the process of working with the vendor to schedule the work to be done.
- ❖ We have implemented an Aftercare component to our services. It has become apparent that when the women leave the shelter for homes of their own, they experience a sense of anxiety with having to be on their own. Being able to come to the shelter for a few hours a day, helps to alleviate the anxiety the women are experiencing.

- ❖ On February 9, 2016 a grant application was submitted by Big Brothers Big Sisters of Guam to the U. S. Department of the Insular Affairs for a Technical Assistance Program (TAP) grant. If awarded, CSS Alee Shelter, as a community partner will receive monies to be utilized for translating all of our required documents in various languages including Chuukese, Yapese, Kosraen, and Phonpeian. * On March 15, 2016 we were informed that we were awarded the grant and are just awaiting the release of the monies to proceed.

Alee 2 Children's Home

January 2016

This month we served a total of one (1) child. All children are placed here by Child Protective Services (CPS). The shelter continues to provide Personal Care, Teaching Life Skills, Transportation and Recreational Outings for all the children in the shelter.

A nine (9) year old Chamorro girl continues to reside in the shelter. Minor had four (4) supervised with her sister. On three (3) of the visits, mother was present. Minor continues to attend Astumbo Elementary School. Minor's assigned Case Worker changed employment and we are awaiting word on a new worker. All communication regarding minor is done with Social Service Supervisor Arlene Gadia.

As part of the requirements for our application for Licensure, The Guam Fire Department conducted an inspection of the home on January 12, 2016 and the Department of Public Works conducted their inspection on January 13, 2016. The completed application for Licensure was submitted to the Department of Public Health and Social Services Bureau of Social Services for their review on January15, 2016. As part of the review, Sara Senior conducted a site visit on January 27, 2016.

On January 27, 2016, Melissa san Nicolas of the Department of Public Health and Social Services Bureau of Social Services Administration conducted their quarterly inspection of the Alee Children's Shelter. There were no concerns brought to our attention.

February 2016

This month we served a total of seven (7) children; one (1) Chamorro, two (2) Chuukese, two (2) Caucasian, and two (2) Marshallese. All children are placed here by Child Protective Services (CPS). The shelter continues to provide Personal Care, Teaching Life Skills, Transportation and Recreational Outings for all the children in the shelter.

A nine (9) year old Chamorro girl continues to reside in the shelter. Minor had four (4) supervised visits at Child Protective Services with her mother and sister. Minor has been at the shelter since October 8, 2015 and has adjusted well. Minor has no assigned Case Worker since the departure of her previous worker T. Tayama. All communication regarding her case is done with Social Service Supervisor I A. Gadia. As per A. Gadia, placement has not been identified for minor.

On February 5, 2016 shelter received two (2) female Chuukese minors ages sixteen (16) and fourteen (14). The foster family they had previously been placed with has relocated to Japan. At time of arrival, the older of the two (2) sisters reported being bullied to the administration at George Washington High School. Her CPS Case Worker M. Chapa was informed and M. Chapa inquired if Alee staff would be able to take care of transferring minor to John F. Kennedy (JFK) High School. Transfer was completed and minor now attends JFK. The younger sibling continues to attend Agueda Johnston Middle School. The minors have visits from 9:00am to 6:00pm on Sundays with their parents. As per M. Chapa, parents are awaiting housing under Guam Housing and Urban Renewals Family Unification Program. Once housing is in place, siblings will transition back to family. Minors have adjusted well to being in the shelter and have had no issues or concerns.

On February 11, 2016 the shelter received two (2) Caucasian female minors ages ten (10) and eight (8).
Both girls attend Carbullido Elementary School. The minors have had no contact with family. Crisis Worker M. Lizama informed staff that the minors may begin weekend furloughs with paternal grandmother and shelter will be notified when the visits are expected to begin. Minors have adjusted well to being in the shelter and have had no issues or concerns.

On February 25, 2016 shelter received two (2) female Marshallese minors ages eleven (11) and nine (9). The younger of the siblings has been having difficulties adjusting to being in the shelter. She cries often and expresses her desire for them to return to mother and her three (3) brothers. The eleven (11) year old is adjusting well and has been very helpful with her younger sister in regards to helping comfort her.

Maintenance:

January 2016

- On January 22, 2016 a contractor began the work for the repairs on the shelter. Main power to the home was shut off so that the electrical panel could be changed out. The vent in the girl's bathroom was replaced, the front door was sealed and varnished, two (2) additional smoke detectors were installed, and the flow valve was replaced on the water heater and a metal band added to provide more security.

February 2016

We have had no maintenance issues this month.
