DEDEDO	53	78	118

DEDEDO SHELTER

Placement:

- Four (4) cases or twenty (20) individuals that were referred to Salvation Army ESG housing assistance were able to move in to their new houses or apartment unit.
- Four (4) cases or seventeen (17) individuals transitioned to GSJ Expansion Units.
- Two (2) cases or five (5) individuals moved back in to her family.
- One (1) case or two (2) individuals transition to another housing program under Catholic Social Services.
- One (1) case or three (3) individuals were chosen to move to a housing unit under another non-profit organization where they fulfill their CWEP community hours.

Emergency Housing (EH):

- Forty-three (43) cases or one hundred seven (107) individuals were housed over night and moved out the next day to family and friends because there were no available rooms.

Walk In Assistance:

- A single female came in and was provided food assistance and hygiene products twice this month. She applied for the shelter but she is not homeless because she is living with a relative but has a poor support system.
- A family of three requested food assistance, wash their clothes, and shower five times. They are homeless because of personal issues. They were offered the overnight service (EH) but they refused because the female and her daughter will be in Dededo shelter while the male will be in the men shelter because according to the child's birth certificate, the male is not biological father of the child.
- A male individual came in to request for food assistance once. He is claiming to be homeless but refused to apply for the men shelter.
- A male individual came in to request for food assistance once. He said he is not homeless but was provided with food assistance anyway because he does not have any source of income or public assistance.
- A single female came in and requested for food assistance. She did not want to apply for shelter service.
- A single male came in to shower nine times. He applied for the shelter and his family is currently being housed, but he isn't because of no proper documents and still was not able to provide documents given time.
- A single male came in to shower nine times and requested for food assistance once. He does not want to apply for the Men Shelter because of transportation issues. He is employed near the Dededo shelter.
- An elderly mother and adult child came in to request for food assistance five times. They are homeless and applied for the shelter but a clearance from a physician was requested because of a threat to take his own life was made to a staff during intake. Authorities were notified of the incident. In another day, they also came in to wash their clothes and we found out that they were being housed by a Pastor.
- A single father with two children came in to shower twelve times. They got out of GSJ 60 days program and the father said that they were going to stay with his cousin but that arrangement did not develop. The father has made no real effort to improve their housing and financial situation. He reapplied back for the 60 days and was put on the wait list. They utilized the overnight service when available.
- A single mother came in to request for food assistance and shower. They applied for the shelter and are currently on waitlist.
- A single mother with eight children came in to request for food assistance, clothing, and personal hygiene materials. She was just discharge from the hospital and informed GSJ that she came back to her house and discovered she was robbed. She reported to the police. GSJ provided her with information where she can obtain other assistance.
- A single male came in to request for food assistance and shower. After two days, he got in for the Men Shelter 60 days program.

Resignation:

- One (1) case or five (5) individuals were processed to be housed over a weekend, but did not come back to utilized the emergency room.
- A single female voluntarily exited the shelter due to conflicts she is having with other clients. She was also experiencing medical and personal issues. She moved back to her relatives.

Voluntary Exit:

- Three (3) cases or eleven (11) individuals were housed under the sixty days program but voluntarily exited the shelter because they found a place to stay with their family and/or friends.

Work Assistance:

- Four (4) cases were assisted in obtaining employment.

Pending Work as submitted to CSS Support Services:

1. Touch up paint in some of the rooms and other areas.
2. Repair the 20% of the leaking roof. During the heavy rains, power went out by itself in the right wing living room, kitchen and three (3) rooms. For safety and health reasons, the power is kept off and the rooms are not being utilized.
3. Replace one (1) shower head.
4. Replace one (1) toilet bowl flushing kit.
5. Replace one (1) two-way switch right wing ADA bathroom.

Shelter Needs:

1. Freezer – need is HIGH for clients that buy their meat in bulk to save money.
2. Copy machine – need is HIGH to make needed copies for staff & clients.
3. Purchase 2 washers & dryers, old ones will break any day.
4. Purchase two (2) Computers & two (2) printers for Shelter Workers and Social Worker.
5. Purchase a 500 gallon tank to be used during water outages.
6. Purchase a computer for the front office.
7. T's for clothes line.

ORDOT SHELTER

The shelter is still being operated under a temporary permit pending an inspection by the Department of Public Works. In order to pass the inspection, a certified electrician needs to inspect and certify the electricity at the shelter. CSS Support Service had paid someone, but the work has not been done.

Placement:

- Two (2) cases or two (2) individual male was referred and assisted through Salvation Army ESG Re-rapid housing program and was able to move in to an apartment complex.

Emergency Housing (EH):

-Sixteen (16) cases or sixteen (16) individual male was housed overnight and moved out the next day because they was no available bed.

Walk In Assistance:

-None.

Voluntary Exit:

-One (1) male individual came in for overnight service. He was processed for registration and later called to cancel.

Stayed Sixty Days:

-Four (4) cases or four (4) individuals stayed in the program for sixty (60) days. They exited the shelter and reapplied for the 60 days program. They are put on the waitlist.

Eviction:

-One (1) male individual was evicted because of no call no show for five days.

Work Assistance:

-Four (4) cases or four (4) male individual were assisted with obtaining employment.

-One (1) case or a male individual under overnight service was referred to another agency and was able to obtain an employment.

Pending Work as submitted to CSS Support Services:

1. Replace 1 emergency light.
2. One smoke detective need to be replaced.
3. Certification of electricity by a certified electrician. CSS Support Service hired someone, paid him and job is still not done.
4. Replace or repair tin roof in front, back and right side of building, for safety.
5. CSS Support Service had paid someone to install an AC unit that was brought from the Barrigada house, but it's still not installed.
6. Repair 2 light switches.
7. Repair or replace emergency light.
8. Repair washer.
9. Repair window locks.

Shelter Needs:

1. Small Copy Machine – need is High
2. One computer and printer for Shelter Workers
3. One washer and one dryer
4. Internet
5. Refrigerator
6. Paint building
7. Yard tools
8. T's for clothes line
9. Renovate bathrooms (replace bathtubs)

10. Safety grills for windows.
11. First Aid Kit.
12. Left wing front room leak needs repair.

SERVICES PROVIDED:

Transportation services were provided to and from both shelters; to job sites, job searches, job interviews, Catholic Social Service Office, home searches, workshops, sponsored dinners, The Salvation Army, Mayor's Offices, Superior Court, Public Health- Dededo, Public Health- Mangilao, SDA Clinic, GBHWC, AHRD, DOL, DOE, GHURA, super markets, etc.

Follow ups were made with The Salvation Army regarding applications for housing assistance. Follow ups were also made on applications that were submitted to various employers for employment via phone calls and transporting clients to and from the work sites.

- The two shelters provided clients 258 transportation (excluding transport for sponsored dinners).
- Total number of calls that the clients made from the office telephones was 808.
- Total number of meals that were provided to clients were 1,528 (excluding sponsored dinners and walk- in assistance). Five (5) cases of families or twenty-three (23) individuals are under food assistance program by GSJ. Three (3) cases or seventeen (17) individuals were in the process of applying for emergency SNAP. Two (2) cases or six (6) individuals do not qualify for SNAP and has no other source of income. Other cases were under food program and some families/ individual request for food because they were out of SNAP or cash.
- Total number of clients that used the computer in Dededo was 39. There was no internet service in Ordot for April, May, and June 2015.
