- One (1) case, a couple with ten (10) children were able to relocate their shack from Mangilao to Dededo and moved in.
- One (1) case FS or two (2) individuals were able to pay off a loan, save money and moved into an apartment of their own.
- One (1) case AC, a single parent with three (3) children was able to save money and afford moving into an apartment with the children.

- One (1) case VDC or an individual client contacted her family in California and asked them to purchase a one way ticket for her. It took the family about three weeks to purchase a ticket. A ticket was purchase and client left Guam to California.
- One (1) case or two (2) RR/MT individuals fulfilled their ISPs, one became employed and was referred to Salvation Army housing assistance by Emergency Solution Grant (ESG) and placed in a home.
- One (1) case or a couple (2) BR/LC was referred and placed in appropriate agencies. Individual male LC was placed in Sanctuary, under the Permanent Housing Program and the individual female BR was placed in Oasis.
- One (1) case of female individual AM fulfilled her ISP and was able to save enough money to rent her own place. She was able to transition independently before she reached sixty (60) days in the shelter.

Emergency Room:

- One (1) case, a father with his two (2) kids were housed overnight and were referred to VARO the next day for further assistance because there were no available rooms.
- Five (5) cases or twenty seven (27) individuals were housed over night and moved out the next day to family and friends because there were no available rooms.
- Fourteen (14) cases or fifty-three (53) individuals were housed over night and moved out the next day to family and friends because there were no available rooms. Some did not have documents.
- Thirteen (13) cases or thirty-six (36) individuals were housed over night and moved out the next day to family and friends because there were no available rooms. Some did not have documents.

Walk In Assistance:

- Two (2) cases or female individuals came to the shelter and showered.
- One (1) case or a couple with five (5) children came to shelter to shower four different times. They are homeless because they have a very expensive car and can't afford any rent. PM counseled the father about their situation and he said that it's okay that they move from place to place. He said that he's working on getting rid of his expensive truck.
- One (1) individual came to the shelter to shower.
- One (1) case or a couple with five (5) children came to the shelter to shower twice. The family owns a car but is homeless. Counseling was provided and the plan is sell the new car and get a used and less expensive one.
- One (1) individual came to the shelter to shower and wash her clothes.

Resignation:

- One (1) case ML or three (3) individuals left the shelter and did not return. They have family so they moved in with them.
- One (1) case KS or seven (7) individuals left the shelter and did not return. They have family so they moved in with them.
- One (1) case BM or six (6) individuals left the shelter and did not return. They have family so they moved in with them.

Stayed Sixty Days:

- Two cases or two (2) single individuals stayed in the program for sixty days and moved in family and friends. After twenty four hours they submitted their applications again.
- One (1) case FS or two (2) individuals stayed in the program for sixty days and moved in with a friend and informed Social Worker that they had found an apartment that they will move into eventually.
- One (1) case AC or a single mother with three (3) children relocated to an apartment complex after 60 days in the shelter.
- One (1) case or a family with two (2) children moved in with family members.
- One (1) case RR/MT or two (2) individuals stayed in the program for sixty (60) days and found a home with ESG housing assistance with Salvation Army.
- One (1) case EC or five (5) individuals stayed in the program for sixty (60) days and after one day they reapply again because they needed more time to save money to fulfill their ISP's.
- One (1) case KQ or four (4) individuals stayed in the program for sixty (60) days and after one week, they reapplied again because they need more time to transition independently because of new employment.

Eviction:

- One (1) case AK or a single woman was evicted from the shelter due to non-compliant with rules and regulations. She did not call and/or return to the shelter for two consecutive days and nights.

Pending Work:

1. Touch up paint in some of the rooms and other areas.
2. Repair the 20% of the leaking roof. Rainy season is upon us and the leak is getting worse. During the heavy rains, power went out by itself in the right wing living room, kitchen and some rooms. For safety and health reasons, we decided keep the power off in the right wing living room, kitchen and four (4) rooms. All these areas are leaking badly.
3. Repair the electric ceiling fan switch by the back door at the left wing that was damaged by Arvin Builders. They buried the wires during the repair of the roof in December 2013.
4. Replace 1 electric ceiling fan in one of the rooms.
5. Replace 2 emergency lights.
6. Repair one (1) shower handle.
7. Repair doors, so they can close better.

Shelter Needs:

1. Freezer – need is HIGH for clients that buy their meat in bulk to save money.
2. Copy machine – need is HIGH to make needed copies for staff & clients.
3. Purchase 2 washers & dryers, old ones will break any day.
4. Purchase two (2) Computers & two (2) printers for Shelter Workers and Social Worker.
5. Purchase a 500 gallon tank to be used during water outages.
6. Purchase two (2) bush cutters – to train clients on how to use and maintain them and to cut grass around the shelters.
7. Purchase a computer for the front office.

ORDOT SHELTER

The shelter is still being operated under a temporary permit pending an inspection by the Department of Public Works. In order to pass the inspection, a certified electrician needs to inspect and certify the electricity at the shelter. CSS Support Service had paid someone to do it, but the work has not been done.

Placement:

- Two (2) cases or two individuals were able to find employment and a place to stay. They stayed in the program for the entire sixty (60) days.
- One (1) case MO or an individual secured employment with the assistance of the staff.
- One (1) case or an individual male (1) JT was referred and placed in Sanctuary under the Permanent Housing Program.
- One (1) case FR or an individual accomplished his goals and left off-island for medical reasons and plans to migrate in the States.

Emergency Room:

- One (1) case or individual was housed overnight and checked out the next day. He was counseled back to live with his father.
- One (1) case or individual was housed overnight and checked out the next day. He was referred to GMH because he had a lot of medical issues and needed medical attention.
- One (1) case PT or individual was housed overnight and checked out the next day. He said that he didn't need the help anymore because he found a place to stay. He also asked for a Certificate of Residence for the one night he stayed at the shelter.
- One (1) case NB or an individual was housed overnight and checked out the next day. After 24 hours, NB reapplied and was placed for 60 days program.
- One (1) case JT or an individual was housed overnight and checked out the next day. Client was referred to Sanctuary because there's no room available at the time.

Walk In Assistance: None

Resignation: None

Stayed Sixty Days:

- One (1) client MO exited after 60 days and reapplied after two days for another 60 days. Client just got hired with a job, needs time to save money for an apartment and is still processing his SNAP paperwork. Client works hard and is getting his goals accomplished.
- One (1) client JA exited after 60 days and reapplied the same week because he needed more time to continue processing his Salvation Army application and needs more time to save money.

Eviction:

- One (1) client OD was evicted due to non-compliant of house rules and regulations. He was under the influence of alcohol and had alcohol in his possession.
- One (1) individual (SK) was evicted due to violation of rules and regulation. Client violated rules in alcohol policy.

Pending Work:

1. Replace 1 emergency light.
2. Repair 3 smoke detectors. They just went out.
3. Certification of electricity by a certified electrician. CSS Support Service hired someone, paid him and job is still not done.
4. Replace tin roof in front, back and right side of building.
5. CSS Support Service had paid someone to install an AC unit that was brought from the Barrigada house, but it's still not installed.
6. Repair 2 light switches.
7. Repair or replace emergency light.

Shelter Needs:

1. Small Copy Machine – need is High
