- August 17, 2016 – One (1) family of a couple stays at the Tutujan Park in Aagana Heights. The woman and her two children stayed at the GSJ Main Shelter many times between 2011 and 2016, and now she stays with her boyfriend at the park, having her children at her relatives' house nearby. They were suggested to apply for 60-day program; however, the common-law couple cannot stay together if they apply with her children, because her boyfriend is not the father of the children.
- August 17, 2016 – One (1) family of five (5), a couple and three (3) minor children (14, 12, and 2 years old) are staying at Adelup Hurao Pavilion, after they had to move out from their relative's house 2 ½ months ago. The head of household informs that she applied for Section 8 Housing program a previous week through DISID, and that they are #55 on the Public Housing Waiting List. The family owns an old vehicle, parked by the pavilion with very low gas, therefore they limit the transportation. They asked for pampers (#3 or 4) and were suggested them to visit GSJ to pick up some donated pampers when they have enough gas. They prefer to stay at the place rather than coming to GSJ, because their two children are attending Jose Rios Middle school, and the bus stop is nearby. They were provided with one case of MRE.
- September 2, 2016 – One (1) male was hospitalized at the Guam Regional Medical City (GRMC) after he was brutally beaten by a young man. He has been staying in his broken vehicle for a couple months after he moved out of his step-son's GHURA house, leaving behind his sick wife who had been suffering from dementia. VI-SPDAT Assessment was conducted at the hospital room, and this homeless man was discharged from GRMC a few days later. Initially he was taken to his step-son's place to find out if he would be accepted; however, the step-son did not allow him to stay in his place. Without having any place to go, this homeless man was housed in Guma San Jose Men's Shelter, where he showed many problems, including incontinent problem, chest pains, frequent falls, and inability of personal hygiene. Realized that this client was not fit to the homeless shelter program, GSJ SW and GRMC SW together pursue transferring client to St. Dominic's Senior Care Home through Office of Public Guardian. As of September 28, the Public Guardianship was granted and client was accepted at the St. Dominic's.
- September 29, 2016 – An outreach with Homeless Coalition with sponsorship with Triple J Motors was conducted at the Dededo Mayor's Office front porch, where a homeless feeding was provided every evening.
