

Pandemic Plan  
RS Taitano Store/  
Mt Lam Lam Sno 'N Ice Cream

1. At entrance to store, staff will check temperature of patron  
Hand sanitizer will be given to patron  
In addition, staff member, sales representatives and delivery persons will also have temperature check and given hand sanitizer
2. Store will be cleaned/ maintained by staff members by using appropriate bleach mixture to wipe down surfaces, door handle, refrigerator door and handles, table top at cashier and pin pad for credit card machine.  
This cleaning schedule will take place at least once every hour for highly touched areas- to include shopping basket
3. Signage regarding precautions set up by CDC and Public Health will be made visible at door entrance and also throughout store to remind patrons to wear masks and social distancing observed  
And if sick, staff and patrons should not enter store  
Tape markers placed on floor, spacing at 6 feet, are in place to remind patrons to observe the distancing
4. Patrons visiting in store will be limited to 5 count.  
Additional entry of patrons will be controlled at the front entrance.
5. Staff member aware to wash hands and use hand sanitizer after contact with patrons and sales representatives/ delivery person
6. Store hours 8am-8pm. Restroom use only for staff.  
Staff aware to wash hands after toilet uses, also before returning to the work area.  
Each shift will need to have staff member sanitize restroom surface areas after each use
