## FDMS BASKETBALL GYMS – SAFETY OPERATING PLAN

### 1. ENTRANCE DOOR CHECK-IN PROCESS

- a. TEMPERATURE CHECKS - Digital thermometer gun to take all potential entrants temperature. Individuals registering a temperature reading of above **100°F or 37.8°C** will be denied entry.
- b. SANITIZATION – all entrants must sanitize hands with facility provided hand sanitizer
- c. MASKS – all entrants will be required to wear masks. The facility will provide complimentary medical grade, disposal masks when applicable.
- d. SIGN IN – all entrants will be required to sign in for potential contact tracing. Information to be gathered shall be:
  - i. Full legal name
  - ii. Mobile phone number OR email address
- e. SHOES – all entrants will be required to hand carry basketball playing shoes. Shoes will be sanitized by use of a minimum 60% ethanol, or 70% isopropanol solution.

### 2. FACILITY MITIGATIONS

- a. BLEACHERS – the bleachers on the west side (scorers' table) of the facility (Jungle gym) will be cordoned off. No entrant will be allowed to sit, lay, or otherwise, place any personal belongings there. The remaining bleachers will be marked to maintain a minimum 6 foot social distancing mandate when not playing. Bleachers will be sanitized daily, with a 60% ethanol, or 70% isopropanol solution or other method approved by the authorities prior to opening of the facility and upon completion of all game play. Periodic sanitization will also be done while game play is ongoing.
- b. SPECTATORS – Spectators are defined as an individual(s) who arrives at the facility with no intent to participate in game play. No spectators will be allowed entry into the facility.
- c. BATHROOMS – bathrooms will be sanitized daily, with a 60% ethanol, or 70% isopropanol solution or other method approved by the authorities periodically throughout the day. Bathrooms will be thoroughly cleaned prior to and after all game play.
- d. WATER DISPENSER – no water or other beverages will be distributed or available at the facility.
- e. JUNGLE GYM – the Jungle is an open air facility with no air conditioning system. Window louvers will remain open at all times during game play.
- f. TRASH – all trash will be taken out at the end of each day, or when game play is complete.

### 3. GAME PLAY

- a. MASKS – must be worn at all times, but may be taken off while playing, if needed for comfortable breathing or other health precautions.
- b. PHYSICAL CONTACT - Physical interaction will be kept to a minimum (no high 5s, hand shaking, fist bumps, hugging, etc.)
- c. HAND WASHING – upon completion of game play, every participant must wash hands immediately
- d. EXIT AFTER GAME PLAY – upon completion of each game, every player must leave the playing court area and exit the facility to “catch their breath”. All players must remain outside until a normal breathing pattern is established before they will be allowed to re-enter the facility
- e. GAME BALLS – basketballs will be sanitized with a 60% ethanol, or 70% isopropanol solution or other method approved by the authorities prior to, and upon completion of each game.

### 4. OTHER MEASURES

- a. BI-WEEKLY NOTICES – bi-weekly notices will be sent to all potential participants, via the WhatsApp platform and via email advising of the aforementioned instructions. Any individual who does not feel well will be encouraged to stay home.
- b. POTENTIAL POSTIVE CASE – should any participant test positive for COVID-19, or if it is known that an individual may have had contact with someone who has tested positive, the facility will be shut down immediately and will not re-open until contact tracing by DPHSS is completed.

In addition to what is stated above, FDMS will follow the additional guidelines set forth by the CDC in: <https://www.cdc.gov/coronavirus/2019-ncov/community/>
