

Royal Deli's COVID 19 prevention and control measures plan

- Temperatures of all employees and guests will be checked upon entrance using a non-contact thermometer. Any person measuring above 37.5°C or 99.5°F will be notified to exit the facility.
- Hand sanitizers are placed by the entrance in a conspicuous area for use.
- High touch surfaces must be disinfected every 10-20 minutes.
- Based on the occupancy rate, no more than three guests will be allowed to enter at all times.
- The floor is marked with tape with each mark being 6ft apart to ensure social distancing while guests line up at the cashier or outside the entrance door.
- Wearing a face mask is mandatory inside the facility, and any employee or guest who does not have one will be provided with one for use. Any person who refuses to wear a mask will be notified to exit the facility.
- Signage stating “Covid-19 symptoms and those who have those symptoms are not permitted inside” is posted on a conspicuous area on the entrance door.
- Signage stating “Maintain social distancing of at least 6ft” is posted on a conspicuous area inside the facility.
