## COVID-19 MITIGATION PLAN

1. Screen employees before entering the jobsite and ask if they are experiencing any possible COVID symptoms
  - Anybody with COVID symptoms will not be permitted in the facility.
  - Employees with COVID symptoms are not permitted to work.
  - Sick employee to be sent home for quarantine and isolation.
2. Face Mask is required to be worn by workers at all times while in the jobsite.
3. Workers are to use their own tools or limit tool sharing if possible.
4. No sharing of food and water.
5. To the extent possible, all workers shall maintain 6 feet distance.
6. Have adequate cleaning and disinfection supplies for employees.
7. Encourage all workers to frequently wash hands with soap and water, and if hand wash sink is not available to use 60% Alcohol Sanitizer.
8. Stagger shifts, breaks, and meals so that employees are not in the same area at the same time.
