COVID-19 MITIGATION PLAN

A. PPE:

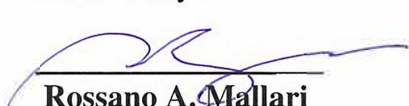

1. Before entering worksite workers must be on their proper protective gears as follows:
 - a) Face Mask N-95.
 - b) Gloves.
 - c) Hand wash with soap and water always at the jobsite.
 - d) Must have their own personal hand sanitizer.
 - e) Lunch break or break time must maintain the 6 feet minimum distance from each individual.
 - f) No sharing drinking cups, spoons, tools.

B. Actions:

1. In the event an individual has suspicious symptoms, employer will immediately send the individual to a nearest affiliated clinic for Covid-19 Swab Test.
2. Any Employee with a positive Covid-19 result will be quarantined/isolated with the DPHSS directives.
3. All work places must have sufficient air ventilations or an open areas.

This Mitigation Plan certifies and is prepared for the safety and protection of our employees to prevent from Covid-19 Virus.

Yours Truly,

Rossano A. Mallari
Owner
