Endeavour Inspection Services COVID-19 Mitigation Plan

- Maintain record of all employees and visitors daily.
- Conduct temperature checks on all employees and visitors daily.
- Provide all employees and visitors with adequate sanitizing stations.
- Provision of alcohol-based wipes for wiping down surfaces.
- Provision of no touch trash Can.
- Ensure masks are worn at all times except while eating or drinking during lunch breaks.
- Ensure 6ft social distancing is maintained at all times.
- Encourage employees to frequently wash their hands with soap and water
- Clean and disinfect frequently touched surfaces.
- Encourage workers to stay home if they have any COVID related symptoms.
- Employees who are sick or with COVID-19 symptoms are not permitted to work.
- Encourage respiratory etiquette, including covering coughs and sneezes.

In the event that individual starts exhibiting symptoms, individual will be requested to stay home and get an approved test. If individual is positive, entire workforce will be tested and work will be halted.
