

## **Star Delta Electrical**

**Electrical Contractor**

---

### Star Delta Electrical Mitigation Plan: COVID19

Protect ourselves and others by taking reasonable and safe behavioral practices:

- social distancing at all times even during snack or lunch break (staying at least 6 feet away from others)
- frequently washing hands or use alcohol-based (at least 60% alcohol) hand sanitizer when soap and water are not available
- wearing masks and face shields
- avoiding touching eyes, nose, and mouth
- staying home when sick
- cleaning and disinfecting frequently touched objects and surfaces

All employees are required to disclose to the management or to their supervisor if they or someone they live with are experiencing any of the following symptoms:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

If experiencing any of the symptoms, do not go to work and seek medical attention immediately.

When to seek **emergency** medical attention

If someone is showing any of these signs, seek emergency medical care immediately:

- Trouble breathing
- Persistent pain or pressure in the chest
- New confusion
- Inability to wake or stay awake
- Bluish lips or face

Call 911 or call ahead to local emergency facility: Notify the operator that you are seeking care for someone who has or may have COVID-19.

How to clean and disinfect: Office, jobsites, tools and equipment

- Wear disposable gloves to clean and disinfect.
- Clean surfaces using soap and water, then use disinfectant.
- Cleaning with soap and water reduces number of germs, dirt and impurities on the surface. Disinfecting kills germs on surfaces.
- Disinfect with a household disinfectant: Follow the instructions on the label to ensure safe and effective use of the product.
- Precautions such as wearing gloves and making sure you have good ventilation during use of the product.
- Use no more than the amount recommended on the label.
- Avoid mixing chemical products.
- Label diluted cleaning solutions. Use water at room temperature for dilution (unless stated otherwise on the label)
- Practice routine cleaning of frequently touched surfaces.
  - Tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, sinks

Star Delta Electrical comply to all the directives of the Government of Guam regarding COVID 19 pandemic.
