

## OPERATION PLANS FOR COVID-19: TAKEOUT ONLY

### HOURS OF OPERATION

Takeout ONLY: Thursday - Sunday, 3-9pm  
Effective AUG 20, 2020

### EMPLOYEE HEALTH

- Employees must immediately report symptoms to manager on duty as per their Employee/Employer Covid-19 Agreement.
- All employees must wear their face mask to complete his or her duties.
- Employees who are showing COVID-19 like symptoms, or who have been in close contact with persons exhibiting symptoms, or who have tested positive themselves are required to inform the manager on duty and stay home. A return to work would be based on negative test results and/or professional medical advice/clearance.
- Employees who have recently had a close contact with a person with COVID-19 are also asked to stay home and monitor their health. Employee must then present a negative test result and or provide medical clearance, and be in good health in order to return to work.
- Frequent handwashing with soap and water for at least 20 seconds.

### SANITATION

- All high contact surfaces are sanitized every 15-30 minutes.
- Full cleaning/sanitation wipe down every 4 hours or every shift change, whichever comes first.
- Areas of concentration include:
  - Entrance/Patio
  - Podium
  - Door handles
  - Pens, credit card machines
  - Bar counter
  - Restrooms

### GUEST SERVICE

- Masks are required for service.
- Signage posted at entrance to remind guests of new policies and procedures.
- Guests and staff to maintain a social distancing of 6ft at all times possible.

## ORDER/PICKUP

- All takeout interactions are done outside the premises. Guests are not permitted to enter as per the establishment.
- Curbside pickup is ideal. Upon ordering, guests are asked their vehicle model so staff can assist them without the guest leaving their vehicle.
- Guests are encouraged to use the QR app to view the menu on their personal devices.
- Single use paper menus are also available.
- Pens offered to guests are sanitized after every use.
- No seating or outside dining is permitted.

## ENTRY

- Any persons who are sick or exhibiting any symptoms are not allowed entry.
- Temperature checks are required for entry. No persons with a temperature of 100 F or higher will be allowed entry.
