Revised PCOR3 Reopening Plan 2021

Wild Bill's Staff and Management respect the importance in providing a safe clean environment and feel confident we will be able to enforce all guidelines in place to welcome back customers based on the following plan.

POSTING OF SIGNAGE & POLICIES:

Notices will be posted throughout the building in highly visible locations to inform and remind customers of the following.

- The processes and self-determination of symptoms required upon entry
- Face mask requirements
- Hand washing / Sanitizing requirements
- Vendor delivery requirements
- Physical Distancing
- Respiratory Etiquette
- Health & Safety
- Markings for seating / distancing
- Notices that protocols will be enforced and intentional violators will be asked to leave.
- Occupancy Limitation will be posted per the allowable directive.
- Signs encouraging welcome greetings to be contactless.
- Customers to Sign a visitors Log upon entry, which will be retained for 30 days.

MASKS:

- EVERYONE will be required to wear a mask prior to entry, or while not seated drinking.
- Employees will be required to wear a mask, and encourage to not touch their masks. In the event they do, they will be required to sanitize or cleanse hands for the required 20sec.
- Vendors will be required to follow the same rules as staff. Vendor POC will be informed of our rules to relay to their drivers. Additionally, signage will be posted directed for them.
- All guidelines issued by DPHSS will be enforced

Physical Distancing:

- As outlined in the layout included with this plan, seating will be marked at 6' distancing to include bar stools and tables. Modifications will be made to accommodate the social gathering guidelines.
- Markings will be in place to direct seating and walk paths.
- Groups (Allowed based upon current limitations) will be encouraged to utilize table settings.
- Occupancy will be based on 50% of our occupancy limitations issued by the GFD. (Posted)
- Customers will be encouraged to remain seated and not congregate outside of their group. Drinks will be delivered to their tables and set down rather than in hand.
- Touchless payment options are in place for credit card payments. A designated area will be in place for this option.

Cleaning & Disinfecting:

- Frequently touched surfaces will be disinfected regularly and after use by everyone according to the disinfectant guidelines.
- A cleaning log will be kept to record that a schedule is being kept for the cleaning of entry way, log in area, bathrooms and high traffic areas.
- PPE will be worn while sanitizing and cleaning all surfaces and areas
- Games and equipment will be sanitized between each use. Items used to play these games will be available by reservation and cleaned after each use.
- UV Light & alcohol spray gun will be used to sanitize cash register, credit card machines and hard to clean surfaces.
- Regular cleaning of AC Filters will be sanitized regularly
- Sanitation of staff used objects after each use
- Staff will be trained to properly perform all cleaning duties.

Health, Safety and Ventilation:

- HEPA Filtered Systems will be in use at all times during operation.
- Hired cleaner will clean the bar daily prior to reopening to the public.

- Employee health evaluations will be conducted prior to their shifts and protocols in place for Positive testing or exposure to COVID19. Full cleaning after any events of a positive or exposure.
- Training of staff prior to reopening will be conducted to educate them on all policies in place.
- Contact tracing will be required upon entry
- Management will be on site for additional Guidance and enforcement of all policies
- Staff will be within reason, working in distanced locations
