COLORECTAL CANCER SCREENING

This is one cancer you can prevent!

Guam Comprehensive Cancer Control Program, DPHSS 123 Chalan Kareta, Mangilao, Guam 96913-6304 Phone: (671) 735-0670/7335 Facebook: GuamCCC

#CONQUER CANCER

Colorectal Cancer is the 3rd leading cancer killer in Guam, but it doesn't have to be.

Screening can find precancerous polyps so they can be removed before they turned into cancer.

If you're 50 or older, get screened for colorectal cancer.

Talk to your doctor about the appropriate screening for you.
