Questions Received from potential bidders:

REF	QUESTION AS SUBMITTED:	DPHSS/DEH RESPONSE:
<b>Questions from August 4, 2022</b>		
#1	Do we email both the technical and price proposals? They have to be separated in the mailed package, so I wasn't sure if there needs to be separation for the emailed version too.	<b>Yes, the same contents in the mail package will need to be emailed as well. Documents should be titled as the item being submitted (i.e., the Price Proposal document will need to be labeled as such).</b>

Bidders are notified to visit the DPHSS website: <https://dphss.guam.gov/rfps/> to ensure that addenda to the bid, answers to questions, and reminders are communicated to all bidders throughout the solicitation process.
