**ANNUAL MEDICARE PART D OPEN ENROLLMENT**  
**OCTOBER 15, 2022 THROUGH DECEMBER 7, 2022**

The Department of Public Health and Social Services would like to announce the Open Enrollment Period for the 2023 Medicare drug plans, nationally known as Medicare Part D, began on October 15, 2022 and will end on December 7, 2022.

Plan costs and covered benefits can change from year to year. Throughout this period, Medicare beneficiaries may enroll in a drug plan, switch to a new drug plan or terminate from this voluntary prescription drug program. People with Medicare should look at their coverage choices and decide the options that best fits their health needs. They can visit <http://www.medicare.gov>, call 1-800-MEDICARE, or contact the Guam Medicare Assistance Program (Guam MAP) at (671) 735-7421/7415 to learn about the prescription drug plans available for 2023. For those Medicare beneficiaries who do not wish to change their current coverage, you do not need to re-enroll.

Medicare Part D Open Enrollment appointments are available on Tuesdays and Wednesdays from 8:00 a.m. to 11:00 a.m., through December 7, 2022 at the Division of Senior Citizens located at 130 University Drive Suite 8 Castle Mall building Mangilao, Guam.

Medicare Part D presentations will take place every Thursday beginning October 6, 2022 at the Division of Senior Citizens office starting at 2:00 p.m. There will be no presentation on Thursday, November 24, 2022 in observance of the Thanksgiving Holiday.
