APPLICATION FOR FAMILY FOSTER HOME

WELCOME!

The Bureau of Social Services Administration (BOSSA) of the Division of Children's Wellness, Department of Public Health and Social Services (DPHSS) welcomes your interest in providing care to our foster children. Our children are in foster care because of either physical, emotional, sexual abuse or neglect in their family. Foster parents have an important and rewarding role that will directly impact, nurture and support the child's life while they are temporarily removed from their homes.

Individuals applying to become foster parents must be U.S. citizens or permanent resident aliens and be residents of Guam (or active-duty military personnel or their dependents).

Who May Apply:

- Married Couples
- Domestic Partners (joint or alone)
- Single Persons (including single parents) 18 years or older

If you meet the requirements above, please complete all the documents in the enclosed application packet and submit to the Bureau of Social Services Administration (BOSSA) for processing. This will help us in certifying you as a prospective foster parent.

The application packet includes:

- Application for License
- Autobiography of Foster Parent Form (one per applicant)
- Social Study Questionnaire (one per applicant)
- Medical History Form for each applicant. NOTE: A <u>Tuberculosis Clearance must be</u> <u>provided for all household members.</u>
- Financial Report Sheet
- Employment Verification Form (one for each employed applicant)
- Three (3) Character Reference Forms
- Consent for Disclosure Form for Child Abuse and Neglect Registry (CAN) check

***If you are applying as a couple, please print two copies of the Medical History Form, Social Study Questionnaire, Autobiography, and Employment Verification Form if you are both employed. A Consent for Disclosure Form for a CAN registry check is needed for each adult household member. An application packet is also available at the BOSSA office.

Families interested in our foster care program must submit the following:

- Birth Certificate
- Photo ID or passport
- Social Security Card
- Copy of last two (2) pay check stubs
- Marriage Certificate/license if applicable

If you have lived on Guam for less than five years, a Child Abuse and Neglect (CAN) check must be obtained from all states and countries you have resided in the past five years. The licensing social worker will assist you with this process.

The licensing social worker can obtain a police and court clearance for all applicants and adult household members with their consent. The licensing social worker will provide the consent form for both clearances which must include the individual's full legal name.

The licensing social worker will also obtain a military clearance, if applicable.

What to Expect:

A social evaluation of the application and home environment will be conducted by our agency to assess the applicant's personal character, fitness and factors which show competency for the care of foster children.

If an applicant has satisfactorily met the above requirements, the Department will issue a certification showing approval for licensing of a family foster home. The license is valid for two years.

NOTE: When an applicant submits a foster care application, he/she has ninety (90) days to complete all licensing requirements, otherwise your application will be voided. If you are still interested in becoming a licensed foster parent, you must re-apply.

We need dedicated families that will meet the challenging needs of our children. We appreciate your time and consideration and we look forward to hearing from you.
